MESSAGE FROM THE PRINCIPAL...

Celebrating a Fantastic Start to the School Year!

Dear Green Gables Families,

We hope this newsletter finds you well and filled with the same excitement and joy that permeates our halls here at Green Gables Elementary School! September has brought us an incredible start to the school year, and we are thrilled to share all the amazing moments and partnerships we've been building with our beloved Green Gables community.

The Joy of Learning

The energy and enthusiasm of our students have been nothing short of extraordinary. From the twinkling eyes of our kindergarteners to the confident strides of our fifth graders, every day our students are leading, learning, and growing together. Our classrooms are buzzing with curiosity, and we're thrilled to see the joy of learning light up our students' faces.

Building Strong Partnerships with Families

At Green Gables, we firmly believe that education is a collaborative effort, and the bonds we form with our families are invaluable. We are excited to strengthen our partnership with you, our amazing families. Your active involvement, support, and engagement in your child's education are key ingredients in our recipe for success.

Commitment to Excellence in Education

Our dedicated teaching staff is working tirelessly to provide your children with the best possible education. This year, we are renewing our commitment to instructional excellence. We will continue to invest in collaborative planning and ensuring all students are learning at high levels. We have been diving into our new math resource, Illustrative Math, and are eager to see our students in action as mathematicians.

A Culture of Belonging

Green Gables Elementary is not just a school; it's a family. We are proud to foster a culture of belonging, where every student feels safe, respected, and valued. We celebrate our diverse community and are committed to ensuring that every child feels like they belong. We are CREW!!! We are also committed to our families and ensuring that you also feel belonging and connected to our school community.

We are overflowing with enthusiasm and gratitude for the amazing start to the school year, and we can't wait to continue this journey of learning and growth with your children. Together, we will make this school year the best one yet!

Thank you for being a part of the Green Gables family. We look forward to a year filled with joy, excitement, and endless possibilities.

Warmest Regards,

Jenn Withee
